

Meeting Services

Hands-free webcasting solutions for public event needs

Granicus Meeting Services provide turnkey solutions for public meeting needs. For over ten years, Granicus has worked with nearly a thousand government agencies to strengthen transparency, participation and efficiency in the public meeting process. Our Meeting Services solutions take public meeting efficiency to the next level by eliminating the need for staff to manage any webcasting technology during the live event. The Granicus staff handles all webcast production needs to ensure that your meetings are successfully captured and delivered over the Web.

Our hands-free solution provides your audience with the most feature-rich video player, helping you improve citizen engagement and transparency efforts by leveraging the latest technology.

Granicus also offers various services to help streamline the meeting process and free up staff time. From minutes annotation to a full AV production, Granicus is your one partner for all meeting services needs.

- Live Event Webcasting
- On-Premise Webcast Production
- Closed Captioning
- Minutes Annotation
- Official Transcripts of Proceedings
- Audio and Video Production
- Seamless Website Integration
- Searchable Video Archives
- Integrated Public Record

Webcasting Services

Granicus provides fully-managed live and on-demand streaming of public meetings and events. Meeting videos are fully searchable, indexed to agenda items and cross-linked to supporting materials, providing your audience with a completely integrated public record.

Reach the broadest audience possible over smart phones and mobile devices with cross-platform compatible archived webcasts. Plus, our Design staff will create a portal for webcasts that matches the look and feel of your existing website, offering a better enduser experience.

The Granicus solution includes unlimited media storage and distribution. All webcasts are fully managed by an onsite engineer and supported by our world-class infrastructure

Closed Captioning Services

Support ADA (Americans with Disabilities Act) compliance and offer greater accessibility to meetings with closed captioning. Captions are synchronized to meeting webcasts and can be recorded in real-time or added to an archived event. Closed caption text is searchable, giving audiences the ability to search meeting records by the spoken word.

Audio & Video Production Services

Rely on experienced AV technicians to ensure that your meeting is flawlessly captured. We will work with you to determine your live meeting needs and can provide the following services:

Cameras and Microphones

We can provide an audio and video solution to fulfill the customer's needs. We offer a variety of camera and microphone configurations and will work with you to find the setup that best meets your need and budget. All options include onsite technicians who setup, manage and strike equipment.

Additional Equipment

Granicus can also provide and support the following items for any event:

- Lighting
- Projectors and screens
- Phone interfaces
- Teleprompting

Minutes Annotation Services

Our team can create and publish meeting minutes following any event. Choose the preferred format—action, summary or verbatim - and we will produce the official record. This service also includes post - meeting video trimming and time-stamping.

Certified Transcription Services

The Granicus Meeting Services team will produce a complete, word-for-word account of a meeting. Transcripts can be attached to archived videos and published online as supporting documentation, furthering your transparency initiatives.
